

## State Criminal History Report

### State Criminal History Report Summary

- This report reveals criminal activity as stored at the state-level repository.
- While this report researches information stored at the state level, information is often not as accurate as a search at the county courthouse level where the cases are actually tried.
- Report turnaround times average 2-3 days.
- State criminal history reports are not available in all states.

### Features

- The type of data and number of years of information will vary by state.
- You will be prompted through Fastrax Online if there are any special requirements for a chosen state.
- A criminal record search requires the following information: name, Social Security Number, date of birth and states(s) requested.
- Records will be returned as verified by name, date of birth and / or Social Security Number.
